

DO NOT FEED

Staff photo by Don Petersen

Pat Bouvier of Roanoke blatantly violates the rules by giving Rob O'Brady, a disc jockey for radio station WROV, a bite to eat. O'Brady was caged by choice at Mill Mountain Zoo. He was broadcasting from the cage of a female toucan in an effort to help the zoo raise \$1,500 to buy a mate for the South American bird, as well as two female squirrel monkeys and two female goats.
