GREEN TAMBOURINE
Lemon Pipers

Fresh from three years in a Trappist Monastery in South Tyrol, comes the new WROV winner, Fred King. Fred, tired of the silent life of Basket Weaving and scroll work; has brought to WROV the spirit of the Alps. Fred will be hosting the six to midnight show, so you'll be talking to him on the hieronomous request line. Fred King entertains the staff at WROV with lively little stories about the wicker basket runs he made for the Tyrolese during their Civil war. A light, amusing witty winner is WROV's new six to midnight man.. Fred King!

It may be significant to note that Fred King is the only WROV winner whose show originates from a castle in the North Scottish Moors.
