

afternoon too so the time difference won't be such a problem with you west coast people. If on any occasion you call and I'm nothere, leave word and your phone number with the secretary and I will return your call, hopefully on the same day but surely within a day or two.

Good response on America, Seals & Crofts, and Austin Roberts Keep On Singing.

TONI...WEA...got the dupes OK and thanks. On the same subject, if you record people want to help get a new product started, or give an extra push to something already going, send us 10 or 15 dupes...or maybe some albums. This really helps to expose the artist and pave the pay for new material from him. They will be used for promotion, and not for the staff to rip off.

Bill from MCA and Charles Kipps from Sussex were by this week.

DICK REUS...thank you for getting your sheet to us earlier. What a help this is!!!

Progressive rock show coming to weekends at WROV. Details later. If you have any album material on the charts or that look promising, make sure we have it rock right on.....

As many of you have found out, it's kind of hard to get in touch with...
I suggest that this gets done on a regular basis...
I understand from talking to...
I immediately crossed over...
